

Mrs. Oprysko's Kindergarten News

Notes from Mrs. Oprysko and Mrs. Head...

*This week in reading we continued to work on procedures in Reading. We focused on the key details in stories and checking for understanding. We learned that it is important to remember the key details about the stories we read. This week we went on a Brown Bear, Brown Bear scavenger hunt. We had to read the color words and the clues to find the different places in our school!

*In writing this week, we worked on labeling our stories. We learned that we can write our labels using beginning and ending sounds. They are becoming great writers!

*We learned about cardinality in math and practiced counting and writing the numbers to match the set we counted.

*In Social Studies, we continue to work on a unit about where we live. Practice your address with your student each day! This week we worked on our city, county, and state. We began making a map of the places in Grayson.

*Don't forget to remind your child to turn in their tickets for Dojo rewards.

Have a great weekend!

This Week's AKS Highlights

Math

*demonstrate the relationship between numbers and quantities to 20; connect counting to cardinality

*demonstrate that the last number name said tells the number of objects counted (cardinality); the number of objects is the same regardless of their arrangement or the order in which they were counted

Language Arts

*Recognize common types of texts (e.g., storybooks, poems)

*Engage in group reading activities, including choral speaking and creative drama, with purpose and understanding.

Recite short poems, rhymes, songs and stories with repeated patterns.

* Name the author and illustrator of a story and define the role of each in telling the story, with prompting and support.

Social Studies

*Identify where we live to include street address, city, county, state, country and continent.
